Re: Motion to Dismiss Amended
Complaint

1) Jordan Breslow has Standing.
Snyder v. Bell provides precedent

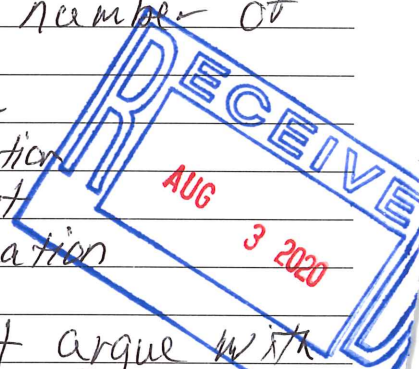

for the Estate of the Plaintiff mounting
a case.

2) The statute / limitations argument
does not hold water, The lawsuit
was filed within the Statute
of limitations (Jan 13th, 2020).

3) Breslow states a number of
claims;

- Age discrimination
- GENDER discrimination
- Sexual Harassment

If his honor get not argue with
the points above a beg for leave
to be granted to amend the Complaint
further, as this is a Pro se case.
